

Waterford Early Learning for iPad

Follow these steps to get started with the Waterford Early Learning app for iPad. After initial setup, the app will open directly to your school or classroom walk-up. If you ever need to reset the app walk-up, refer to step D and repeat the setup instructions.

SET THE APP WALK-UP

1. In the iTunes App Store, find and install Waterford Early Learning.
2. Open the Waterford Manager on your computer. In the **Students** tab, click the green **Student App** button for iPad. **(A)**

3. This will open a QR code on your screen. **(B)**

4. Open the app on your iPad. It will open to a start screen.
5. Point your iPad at the QR code on your computer screen. Tap **Start**. This will open a QR Code scanner. Click the bookmark. **(C)**

Troubleshooting

For help with common questions, go to www.waterford.org/help.

6. The QR code will scan automatically, then open the walk-up on your iPad.

The walk-up is set. Now each time you open the app, it will open directly to the walk-up.

RESET THE APP WALK-UP

Follow these steps if you want to open a different school or class walk-up on your device.

1. Open Waterford Early Learning Settings.
2. Slide **Require QR Scan** to the right (green) position.
3. Repeat setup instructions.
4. Slide **Require QR Scan** back to the left.
